Update from the head

Hello everyone,

What cracking week it has been to round off a wonderful Spring Term at Newby and Scalby. It is not a surprise that I LOVE BUYING BOOKS. It was a pleasure to spend over £1,000 on books for every classroom across the school. This money was commission from another massively successful Book Fair. The money you spent has allowed school to invest more in the children's reading choices. A heartfelt thank you! Children have this week, received their new Delta Uniform. School have arranged with SPT Uniforms and Scalby to allow a 'Swap Shop' on 1st and 7th April. We have also reached out to SPT to organise a postal exchange service. This has been agreed and we will send information regarding this when we have it from SPT. Children have had an EGGcellent time moving around school to view the incredible array of EGGciting egg-based artwork today too. A massive thank you to Celia Hare, from St. Laurence's Church who has very kindly given her time to come and judge the winners of the Easter Egg Design Competition. I truly hope you all have a lovely break and very much look forward to welcoming you all back for what will no doubt be a fabulous summer term. Thank you, as ever, for your incredible support.

Class OCS & OS

Spring is in the air in OS and OCS! We have been enjoying all the signs of warmer weather with lots of outdoor learning as well as bringing the outside in with our fresh flowers, rapidly growing beanstalks and acting like hoppy little bunnies!

You will enjoy lots of spring related crafts coming home after weeks of hard work and creativity - the children and you should be immensely proud of their careful writing in Easter cards, their creativity in sculpting a spring floral clay pot and their enthusiasm in our fundraising bunny hop! Momentos from all three learning opportunities will be coming home today for you to share and treasure together.

Thank you for a wonderful spring term - it was a joy to speak to the parents of OCS at parents evening and we know you are as proud of the children as we are.

Year 1

Class 1A & 1M

This week we have been looking at Shakespeare's play, The Tempest. We have loved getting to know the different characters: Ariel, Caliban, Miranda and Prospero. We weren't sure about Prospero at first as he had everyone trapped on the island, but in the end we thought he was ok! If you want to know more about the story here is a link to the rap we have listened to in school.

We have also all completed the Bunny Hop in aid of St Catherine's hospice. We had a great time but were exhausted afterwards!

We look forward to seeing everyone in the new blue jumpers after Easter but can we please ask that they have the children's names in them. Can we also check that names in PE kits haven't washed off.

Class 2CM & 2S

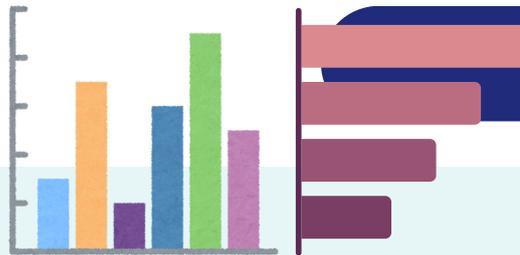

What a lovely way to end the Spring Term! Some of our caterpillars are now in a chrysalis, and starting the process of metamorphosis. Fingers crossed we get to see them as butterflies after half term!

We enjoyed finishing our Geography learning on Mexico. We created postcards showing places we had had “visited” and made some great comparisons between Mexico and London. In DT, we had lots of fun tasting Mexican foods such as tortillas, avocado and kidney beans – and were very excited to make our own guacamole and salsa!

In writing, we have completed our information texts, and we are so proud of them; they are fantastic! As part of Shakespeare Week, we also explored The Tempest. The children enjoyed learning about the storyline and characters, and were very excited to be visited by the powerful magician, Prospero.

We also thoroughly enjoyed our sponsored ‘bunny hop’ for St. Catherine’s Hospice this week, the children worked so hard & hopefully have raised lots of money for an amazing charity.

Finally, a huge thank you to all of the parents and carers who were able to join us for our parents evenings. It was a pleasure to share your children’s progress with you and we hope you are very proud! Have a lovely Easter

Class 3M & 3S

What a fantastic week it has been in Year 3!

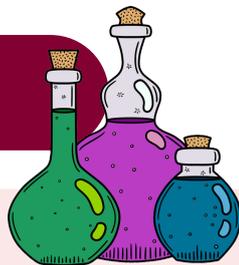

In English, we have completed our hot write inspired by The Lion, the Witch and the Wardrobe. The children’s writing is coming on so much, and we are really seeing a huge improvement across the class. They have all tried incredibly hard, and we are very proud of their efforts and creativity.

In Maths, we have moved on to our new unit on statistics. The children are really enjoying this topic, exploring different types of bar graphs and learning how to represent data clearly and accurately.

In PE this week, we took part in the ‘Bunny Hop’ activity. The children had a wonderful time taking part in the different movements and challenges, showing great enthusiasm, energy, and teamwork throughout the session.

We hope you all have a lovely Easter break, and we look forward to seeing everyone after the half term.

Class 4GR & 4SR

It was lovely to see so many of you at parents' evenings this week and share some of the great work the children have been doing.

We have really enjoyed learning about Macbeth during our Shakespeare week, writing our own magic potions and describing the witches aka 'The Weird Sisters'. We enjoyed sharing them with Year 5!

In RE we have enjoyed learning about Ramadan and some of the practices that happen during this special period.

In PSHE we have been continuing to learn about healthy friendships, specifically peer pressure and what we can do if we ever experience it.

We had lots of fun doing our bunny hop for St. Catherine's hospice during one of our PE sessions this week. I think one young man counted 856 jumps!

We hope you all have a wonderful and well-deserved Easter break!

See you all on the 13th April!

Class 5BW & 5S

What a busy term it has been! This week in Design and Technology we have designed our own space-themed toys after surveying our target audience (EYFS) which we have made with gears. Each toy had to have a driver gear and a follower gear. Some of them had a third, idler gear. They looked great! Well done.

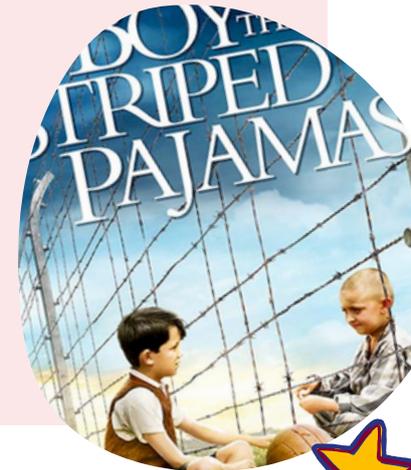

In Writing, we have been looking at Shakespeare's MacBeth. We looked at the Song of the Witches. We wrote our own poems, using the original as our base text. We tried to include similes, rhyming couplets, alliteration and a beat of 4 for each line. We performed them to the Year 4 children. We had a lot of fun performing as witches.

In Maths, we have been counting in different amounts through zero and comparing and ordering numbers, including negative numbers.

Our Bunny Hop for St Catherine's Hospice was great fun. We loved wearing our bunny ears whilst taking part. Thank you for all your sponsorship. These need to be returned into school after Easter.

We have loved seeing all the decorated boiled eggs today for our Easter competition. We hope you have a lovely break and we look forward to seeing everyone for our last term as Year 5's.

Class 6B & 60

As the end of the penultimate term of our year 6's comes to an end, again, all the adults who work with the children are so proud of the effort applied in lessons and the attitude. Well done everyone - make sure you enjoy a well-earned break over Easter!

This week in year 6, we have completed our unit of writing inspired by Macbeth - the children did an excellent job describing their settings and characters! In maths, we have revised adding and subtracting fractions, and also revisited percentages of amounts. We also started to look at Bruno's naivety, and how that is impacting his initial relationship with Shmuel.

There are lots of things to look forward to after Easter - there will be lots of decorating work going on in the Easter holidays! Have a great break, and see you in two weeks!
