**04.12.25** Bewerley Park Memories @ 5pm  
**05.12.25** Y1 Visit to St Laurence's

#### For the future

**09.12.25** 5S First Swimming Lesson  
**09.12.25** ELS and Phonics Workshop @ 2:30pm  
**10.12.25** Christmas Jumper Day  
**10.12.25** Christmas Fair @ 4pm  
**11.12.25** Christmas Show at SJT  
**15.12.25** EYFS Nativity @ 2:30pm

## Update from the head

Hello everyone,  
It has been wonderful seeing the children venturing off on trips and learning within classrooms.

Please do make yourselves aware of the festive diary dates sent recently via MCAS as there are many exciting things going on.

**Advent Attendance** will begin on Monday with every child, that is present each day, put into a draw to receive a book. I have an Advent Attendance Calendar for every year group in school with a total of 168 books to give out until the holiday.

A reminder please that the school car park is only to be used with prior permission. Thank you for your understanding. Please kindly ensure your child comes to school on PE days with a kit to get changed into. We do have spare kit but are seeing an increasing number of children not bringing in kit over the last couple of weeks.

Next week's newsletter will contain 'Kids' Corner' and 'Reading Recommendations', where the children will have ownership of what makes it to print each week.

Thank you, as ever, for your incredible support.

Mr Wriglesworth

## Class OE & OS

This week we have done our hot task for writing. The children have told their own stories of 'Whatever Next!' and they have blown us away! If you haven't already, ask your child to retell their story for you!

We have looked at landmarks in our local environment and discussed their features, the children went on to make their own using junk modelling, they thought about the shapes and colours they needed.

We were shocked to see our toys outside had frozen! The children worked together to free them using tools as well as trying to melt them with water and heat.

Please look on tapestry to confirm you have received information on your child's part and lines for the Nativity. If you have any questions please let us know.

Year 1

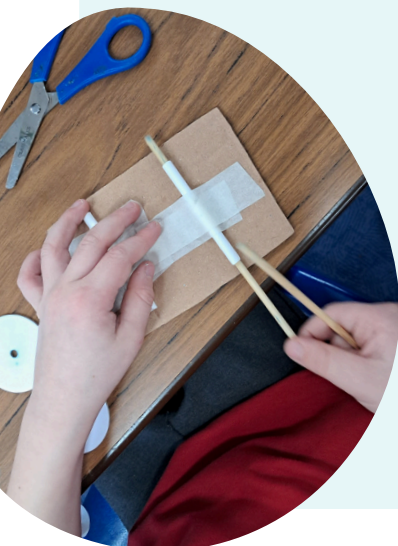

## Class 1A & 1TM

This week we have done our hot write in writing. We have written our own version of The Gruffalo's Child. We are working really hard on remembering our everyday toolkit (capital letter, full stop, finger spaces, tall and small letters).

In History we learned about another important person in the history of transport, Karl Benz. He was the man that invented the car. We couldn't believe that the first car didn't have a steering wheel or a brake!

In design technology we practiced making a chassis and fixing 2 different types of axles to it, fixed axle and a freely moving axle. We will use this skill in a few weeks when we make a vehicle.

Next Friday we are visiting the church so please can all the children have a coat and sensible shoes. We are still looking for volunteers if you are able to help. Thank you.

## Class 2CM & 2S

This week, the children started an exciting new unit in Writing: warning stories! To hook them into the topic, we travelled back in time to 1666 and visited Thomas Farynor's bakery on Pudding Lane — wonderfully played by Oakley! The children enjoyed tasting freshly baked bread and watched as Mr. Farynor forgot to put out the oven fully, beginning The Great Fire of London.

In Design and Technology we learnt what a 'net' is and discussed how architects use these to make mock ups when they begin designing. We loved exploring with the polygon and magnetiles to create our own nets.

In History, the children were fascinated to learn about the different ways people reacted to The Great Fire of London. We had thoughtful discussions about what precious items we would have buried if we had lived at the time. Can your child remember what they would want to save?

**On Tuesday we have our class trips to the fire station. Please send your child with appropriate coats etc. Thank you.**

## Class 3M & 3S

A busy week in year 3 this week. In maths, We have been working hard on formal multiplication. We have found it tricky but really persevered.

In writing we are now looking carefully at the model text, unpicking similes and actions and reactions to help guide our independent writing.

We loved our visit to the library this week. It was great to see the children engaging with the community, and showing their enthusiasm for reading. The staff were very complimentary of the children's impeccable behaviour.

In design technology this week we have been busy thinking about joining flaps. We had a very creative afternoon looking at this. In history we have been looking at Iron age defence. In PE we have continued to work on our dances and the children loved showing some line dancing skills off.

## Class 4GR & 4SR

We had a wonderful start to the week when we visited the Buddhist Centre in Scarborough on Tuesday. The children really demonstrated how much knowledge they have and asked some really thoughtful questions. Most impressive was their exemplary behaviour and respectfulness. Well done Year 4 and thank you to the adult helpers who made this trip possible.

In PE we have been busy creating our spy themed dance, whilst learning about matching and mirroring.

We have had some fantastic sewing completed in Design and Technology, with the children measuring, marking and cutting their vest tops, then finally sewing them together. We had to have a lot of resilience and had to work co-operatively to make progress. It was challenging at times!

**Reminders:** Please return your child's Dallowgill form ASAP to allow all the necessary paperwork to be completed in time. Thank you!

# Year 5

## Class 5BW & 5S

This week we have been very busy in our Writing lessons. We have been learning about the legendary hero Beowulf and how he saved the Danish Hrothgar from the monster, Grendel. We have looked at precise, adventurous vocabulary to enhance our work as we begin to plan and draft our own version of a defeating a monster story.

In Maths we have been tackling number problems that involve multiplication. Some were 2 step problems. The children have worked determinedly to solve them. Well done!

Our Geography topic - 'How Natural Disasters Shape Our World' is progressing. We are learning about earthquakes, what causes them and what the Richter Scale is.

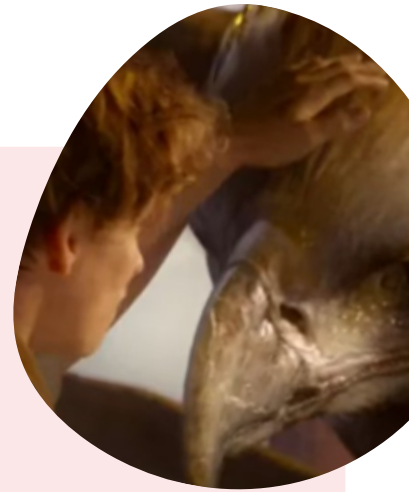

## Class 6B & 60

We could not be prouder of year six this week as we have completed some tests. The children have done so well and the progress they have made in only two months is astounding! Their resilience and pride in their effort is wonderful to see.

In our writing we have begun to write our Fantastic Beasts story where the children are creating characters, imagining unique creatures and describing suspenseful settings.

We have been using watercolours in our Art, inspired by Edward Marsden. We are learning to use a wash background, altering tone carefully to produce a mood. We have painted trees and shadows to understand the source of light in an image and used a focal point to draw in the observer. We will use these techniques next week to start to create our very own piece of art.

## Attendance

### Attendance matters.

Coming to school on time, every day is vital to achieving the best possible outcomes as well as learning good habits which will benefit everyone in the future. Below is this weeks' attendance.

#### EYFS

Miss Elliott	89%
Miss Scott	96.1%

#### Year 1

Mrs Allenby	95.4%
Mrs Tiple / Mrs McGuinness	86.9%

#### Year 2

Mrs Clayton / Mrs McGuinness	97.6%
Mrs Stubbings	94.5%

#### Year 3

Mrs Murphy	96.6%
Miss Scuffham	98.2%

#### Year 4

Mrs Gortzak / Mrs Rowe	97.6%
Mrs Smith / Mrs Rowe	91.7%

#### Year 5

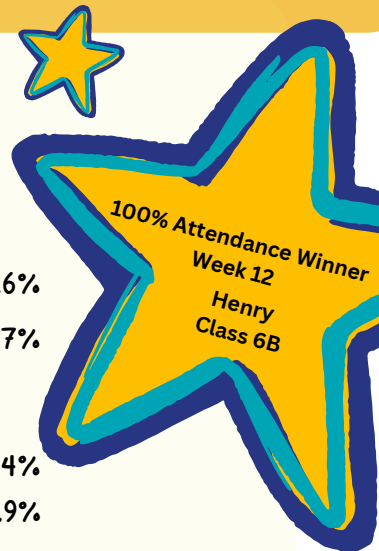

Mr Bates / Mrs Winspear	91.4%
Mrs Sutton	95.9%

#### Year 6

Mr Bolton	91.7%
Mrs O'keeffe	98.6%

#### Week 13 attendance winners

Congratulations to Mrs O'keeffe's Class

## Other News

### Squash Taster Session

Some Year 5/6 children were given the opportunity to try out a taster session of squash at the Sport England facility at the rugby club. What a great opportunity for them all. Regular Junior sessions run with the squash club weekly.

### Christmas Jumper Day - Wednesday 10<sup>th</sup> December

Pupils are invited to wear their Christmas jumpers on Wednesday 10<sup>th</sup> December in exchange for a donation for the Christmas Fair. Jumpers should be worn with uniform, this is not a casual clothes day. Donations should be brought to school on 10<sup>th</sup> December. We kindly request a bottle for the bottle stall from KS2 pupils (anything from fizzy pop to fizzy wine from bath bubbles to beer) and a gift for our tombola from our KS1 pupils. Please ensure any alcohol and glass bottles are dropped at the main office.

A huge thank you to Proudfoots who have generously donated compost to school for our new garden

THANK  
YOU

## Safeguarding

Ensuring our pupils are safe and well looked after is our key priority.

**Sarah Tipple**

Assistant  
Headteacher  
Designated  
Safeguarding Lead

**Helen Wardman**

Inclusion Manager,  
Deputy Safeguarding  
Lead

**Tom Wriglesworth**

Headteacher,  
Deputy Safeguarding  
Lead

**Rebecca McGuinness**

Class Teacher/  
SENDCO  
Deputy  
Safeguarding Lead

All staff have received Safeguarding training to ensure that they can recognise signs and symptoms of abuse and also how to report/act if a disclosure is made.

Concerns about the safety or welfare of a child? **Contact us:** 01723 365686
